

REAL ESTATE IS FOR YOU!

ABOUT UCONN'S REAL ESTATE DEGREE:
The UConn School of Business Center for Real Estate is a top program for real estate research and is regularly ranked among the top 10 real estate programs in the U.S. Its impressive academic credentials are matched by a strong emphasis on real-world problem-solving, and our activities embrace many disciplines including finance, statistics, economics, and geography. The Center for Real Estate offers scholarship opportunities, resume books and job opportunities, and industry and student networking through the Real Estate Society and field trips.
